

DESERT
CITY

DESERT CITY

IT'S SET OF URBAN DESERT
BUILDINGS FROM 3MM MDF
IN 15MM, 20MM AND 28MM SCALE.

You can easy assembly and use for any games and scales, you can easy paint and customized as desired.

Buildings were designed and tested by us.

We promise will fit to the games you are playing right now and possibly the ones you will be playing in the future.

The buildings have removable roofs, they are easy to assembly, and after gluing by appropriate painting you can adapt them to any games according to your needs.

HERE'S WHAT YOU'LL FIND IN DESERT CITY SET

- large two-story building x 1
- medium two-story buildings x 2
- medium single story building x 3
- small one-story building x 4
- fences / walls - 10 x straight element and 4 x corner element
- stairs and ladders

BENEFITS

- universality - buildings are suitable for many games - from fantasy, through historical and modern, to science fiction and post-apocalyptic
- timeless - buildings will suit the games you are playing as well as those you will be playing in the future
- Removable roofs allow buildings to be used in a variety of scenarios
- buildings perfectly match our desert terrain, such as dunes or a palm forest
- buildings are easy to assemble and paint
